## Product highlights

### Fiber Optics

Strands of optically pure glass as thin as a human hair carry digital information to your components for uncompromised sound.

### Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

### Plug and play

Plug and play offers easy installation of components without time-consuming installations.

### Audio Adapters Included

Audio adapter included for versatile application of product.

### Metal shell

The metal shell protects the internal connection of the cable. It ensures durability and the reliability of your connection.

### Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

### Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.
